

**Please join us as a 'Host' for
Foothills Land Conservancy's Summer Celebration!**

Saturday (5:00pm-8:30pm) • August 19, 2017 • RiverView Family Farm

Now in our 32nd year of service, FLC has assisted in the preservation of over 90,000 acres of cherished mountains, working farms, and rural landscapes in 35 Tennessee counties and across 6 additional states!

*Over the past few months FLC Board and staff have been preparing for a move of our office headquarters over to the Harris Farm, located in the Blount County community of Rockford, TN. In 2009 Gail Harris donated an FLC conservation easement on approximately 300 acres and has recently turned over ownership of the farm to FLC. **Net proceeds from this year's Celebration will go towards making the Harris Farm a permanent home for FLC, supporting our enduring mission to preserve, protect, and enhance the lands of the Southern Appalachian region.***
