

Please join us as a 'Host' for FLC's Summer Celebration!
Saturday (5:00pm-8:30pm) • August 18, 2018 • RiverView Family Farm

Now in our 33rd year of service, FLC has assisted in the preservation of over 100,000 acres of cherished mountains, working farms, and rural landscapes in 38 Tennessee counties and across 6 additional states!

2017 was another banner year for the Conservancy! In addition to relocating our organization out to the 300 acre Harris Farm and adding two staff biologists to the team, FLC preserved close to 15,700 acres!

*Foothills is a 501(c)(3) non-profit and does not receive any financial assistance from local, state or federal governments. We rely on individual and corporate contributions solely to sustain our organization, land acquisition and stewardship funds. **Net proceeds from this year's Celebration support our enduring mission to preserve, protect, and enhance the lands of the Southern Appalachian region.***
